

Safer Internet Day will be on the 9th
February 2021

Y1/Y2 Daven

Safer Internet Day 2021 will be celebrated in the UK with the theme:

An internet we trust: exploring reliability in the online world

Some of you may have met the Fantastic Digi Duck before .

This week we are going to read a Digi Duck story all about knowing what to trust on the Internet.

You can do this by reading all about [Detective DigiDuck](#)

Where he is following clues, helped by Wise Owl to check if some amazing creatures are actually real.

You can read the book or watch the story being read to you on the video, or both!

Once you have read the story,

Can You...?

- **Write down a top tip to help other people decide whether something on the internet is real or not?**
- **Draw a picture of your favourite part of the story and write down your top tip underneath your picture?**
- **Maybe write a couple of pages you think could be added to the story about another creature?**
- **If you have time and want to read more about Digi Duck, his other stories are on the same website for you to explore a little more**

If you are able to share them back with school, we would love to see them

Have Fun and Remember to keep safe !
