

Safer Internet Day will be on the 9th
February 2021

Daven Y5/Y6

Safer Internet Day 2021 will be celebrated in the UK with the theme:

**An internet we trust: exploring
reliability in the online world**

We are going to look at how sometimes not all information on the internet is reliable and also, use the internet to check how to check whether something is or isn't accurate or true.

First, you will need to visit the [Are you living an Insta Lie](#)

Whilst watching the video, you will notice that not everything is as it seems!
After watching the video, it's time to check what you know about Reliability and some of the words used when we are discussing this subject so...

Now visit the Kahoot website and take part in a quiz, [Safe to Say](#) to check your knowledge of key words related to Online Safety and Internet reliability.

.This is a [short video](#), explaining how to join the quiz

Finally, login to [Linoit](#) to create a quick online sticky note/postit recording 3 top tips to check online whether a fact is true and can be trusted

This is the [Video Walkthrough](#)

Username is : Daven1

Password :Daven

This work can be done in short sections or all at once. I am hoping it is something you really enjoy !

We will be able to see how you do in the quiz and what you post on the Linoit Board
